RULES FOR CAMPERS

Any violation of these rules is grounds for immediate ejection without refund.

- Please set your tent up in the greenest patch of grass on your camp site. Please let the yellowish grass recover from the last campers.
- Ground tarps of any kind are prohibited. We pride ourselves on keeping the grass looking nice for our campers. The chemical makeup in tarps will kill the grass in just a day or two.
- Please don't use our fire pits as trash cans. Please put trash in trash bags and cigarette butts in an ash tray or empty aluminum can.
- Fires only in designated fire pits. Do not bring any rocks on to campground property or start a fire in any grassy area.
- Maximum safe speed. 5mph
- All campers must stop and register in the office before setting up camp.
- All visitors must stop and register in office; visitors pay \$2 per car to visit and be out of campground by 10:30pm. Campers are responsible for their visitors' actions.
- No firearms or fireworks of any kind.
- Dogs must be on a leash and under control at all times. Please don't let your dog bark or dig any holes. Campers must also clean up after their pets. Please keep pets out of flowerbeds.
- Do not dig any holes or set up any horseshoe pits on campground property. Horseshoe pits are located near the port-o-johns and horseshoes are available in the office free of charge. (driver's license required).
- Campers and Motor homes- NO mats or carpets of any kind outside on the grass.
- Campers and motor homes. Do not dump gray water on campground property. A dump station is available (inquire in office).
- All campers must arrive or be back in the campground before 11:00pm. NO EXCEPTIONS!
- The cable at the front entrance must remain up at night and at any time management or employees of the New River Junction are not on the property. If the cable is up, please leave it up. It hooks on the pole on the left going out.
- After packing up camp and before departing, police your campsite one last time and pick up any trash inadvertently left on the ground.
- The showers in the bathrooms are turned off between the hours of 11am and 6pm. The tuber showers at the end of the building are on 24 hours a day. They have the same hot and cold water mix as the inside showers.
- No Hitting golf balls on or from New River Junction Property!

QUIET HOUR POLICY

- Quiet hours are 11pm to 7am. Radios must be turned **OFF** and **voices kept down**. If this policy is violated you will be asked to leave **NOW!** There will be **NO second chances**. So, set your alarm clock, keep an eye on your watch, or have somebody give you a wake up call (or go to bed call) on your cell phone, but do not keep any of our campers awake after 11pm.
- Any camper who would like to enjoy the sounds of the river and get a good night's sleep and has a problem with one of your neighbors breaking this rule, should call me on your cell phone, no matter the time at (540) 639-6633. I promise, they won't disturb you any more. Thanks,

Dave

FIREWOOD POLICY

- Due to all the recent bug and disease outbreaks and the sensitivity of the surrounding environment we **NO LONGER ALLOW OUTSIDE FIREWOOD!** Firewood can be bought at the office for \$5 a bundle. Our firewood is locally produced and shrink wrapped with a handle. It is locust and oak and burns for about 2 hrs.
- The wood and brush located on campground property is the property of New River Junction, Inc. Anyone caught burning brush or logs not purchased through the office will be ejected from the campground without a refund.

RIVER POLICY

- Campers with their own boats, rafts or tubes must have a wristband on and pay the daily usage fee before entering the river and follow all the same rules as our tubers.
- Check with the office daily to find out what the rules are for that day. **DO NOT** get in the river until you have checked with the office.
- Children under the age of 16 must have approved life jackets on at **ALL** times when in the river. No exceptions! Life jackets may be rented from us for the duration of your stay.

FISHING POLICY

- New River Junction is a catch and release facility. If you are using New River Junction facilities you must practice catch and release on all sections of the river.
- One smallmouth bass over twenty inches may be kept, but only if that fish is destined for the wall, and not the frying pan.

- No personal golf carts, four wheelers, utility vehicles etc.
