Disclaimer of Liabilities & Notice to Parents

I, the undersigned, do hereby understand that the New River Junction Campground, Inc. its management and agents:

1. Are not responsible for loss or damage to my property.
2. Shall be held harmless from all claims of injury to or death of persons resulting from or pertaining to the use or operation of rented equipment (i.e.,inner tubes, etc.) and the New River.
3. Shall be held harmless from all intentional acts or negligence of other renters of New River Junction Campground, Inc. property.

I further understand the following and that if I am a parent and desire for my child or children under the age of 16 to use the facilities and/or rent equipment from New River Junction Campground, Inc., that I will at all times:

1. Recognize that a river and its recreational use of tubing and/or canoeing, etc. is a dangerous activity and that I utilize the New River at my own risk;
2. Accompany my child and/or children (a guardian for a child is not sufficient unless such guardian is recognized by the Court System of Virginia to stand in loco parentis to the child);
3. Make sure that my child and/or children are wearing life jackets any time they are in the river, will stay to the right side of the river and only go between the yellow buoys if they go through the rapids.
4. At certain water levels and for certain ages you may be required to exit the river before the rapids.

<u>If your child has never been through the rapids here before:</u> It's always a good idea to get out at Big Falls Park prior to the yellow buoys and walk down the road, look at the rapids, watch a few other people go through, discuss it with the kids and then you decide who goes and who doesn't. If you do decide to go through the rapids, wade out at the boat ramp far enough so you can aim for between the yellow buoys.
